Dear Mr. Scott Persky,

The Morale, Welfare, and Recreation Department would like to thank you for your recent performance during "Welcome Back to Paradise Week." Throughout the week sailors and their families were able to enjoy many different tropical themed events and activities. Your steel drum music at our "Coconut Bowl" event really helped turn our bowling facility into a tropical paradise. Many positive comments were made regarding your unique music style. Your presence helped make this event both special and memorable for our student sailors and their families. On behalf of the active duty sailors, retirees, reservists, dependants, spouses, and other civilians at Naval Station Great Lakes, I would once again like to thank you for support with this event. We couldn't have done it without you!

Respectfully,

Megan Stadlman
